

Bloom Insurance. Expect the unexpected.

- Bloom is a unique insurance program designed by women who get it because they live the challenges faced by female business owners and leaders.
- We support your achievement by getting to know you and your business and tailoring our risk and insurance advice to your whole life's growth goals.
- We'll react with unparalleled speed when you need it but will never make you feel rushed to make a buying decision.

Bloom Insurance Delivers

Insurance for your business and all the other assets in your life that matter.

Commercial Insurance

- Flexible, best in class business insurance products including liability, property and business interruption at highly competitive rates
- If you're a business owner, we'll be your guide to develop a workable blueprint for a better protected and sustainable enterprise
- Smart risk management and loss control services help you manage your cost of risk on an ongoing basis

Personal Insurance

- Save time and money with Bloom's group buying power.
- Our group members have typically seen savings of 10-35% on their home and auto insurance*.
- We'll always begin with a complete review of your needs to ensure we match them with appropriate coverage.
- You can also count on Bloom for coverage of vacation homes, toys, collections and travel.

Emergency Health /Critical Illness Risk Management Support

For that most precious asset -- your health -- we offer access* to an extraordinary service that, at critical times, provides these valuable supports:

- Nurse-led Healthcare Navigation for any health-related concern.
- Medical Second Opinion within 5-7 days of receiving medical information (24-hour rush service when required).
- Telephone/video consultation
- Dedicated ongoing support by registered medical staff
- Counseling services for financial and other personal matters.
- 24/7 toll-free access to service in English and French
